

Assignment 1 (for Literature Seminar on the book *Climate Wars*)

Be sure to read the whole book before the seminar on april 11th. During the afternoon 13-16 we will focus on the book!

Answer the questions below in a word-document or a pdf (using around 1500 words) and e-mail to me NO LATER THAN April 9th via: malin.ostman.uu@analys.orkund.se

In addition to e-mailing me the document, you shall also **bring the two questions you formulate with you to class.**

Please read through all the instructions before beginning your writing...

- **How is climate change connected to violence according to Welzer? Do you agree with him, argue for your opinion and use additional sources when necessary.**
- **Choose a current news article (written) that relates to a theme in the book in some way and analyze this article using Welzers "glasses". What are the most important and interesting points that emerge from your analysis?**
- **Choose two different points Welzer makes in his book which you find interesting/upsetting in some way that correlates to Sustainability. Formulate one discussion question per point (two in total). Bring these two discussion questions with you to class (in addition to e-mailing me them along with this assignment).**
