

Extra task - December 6th

If you miss more than one seminar, you need to submit the extra task for that specific missed seminar (or half). This also goes for the afternoon of October 4th and the ART-project assignment. Ask Malin if you need clarifications. ..

The different extra tasks will be posted continuously during the semester on the webpage...

If you missed the morning of December 6th submit minimum 500 words on the morning questions below - if you missed the afternoon, submit 500 words on the afternoon questions. Use a word document and send to my e-mail malin.ostman@csduppsala.uu.se. There is no deadline for the extra tasks (except you need to do them before the semester ends). Be sure to name the document with your name.

Morning question

- Define “vision”; what does it mean and how is it relevant to Sustainability?
- Do you see any potential “problems” or “dangers” with visions?

Afternoon questions

- Formulate one discussion question relating to Randers book in some way. This should be a question that you would like to discuss with your peers.
- Imagine your peers would discuss your question, how do you think the discussion would develop and why?
- How would you yourself answer your question?

Good luck/Malin
