

## Extra task - November 14<sup>th</sup>

On November 14<sup>th</sup> we had a literature seminar on the course book: Biofuels, Land grabbing and food security in Africa (Matondi, Havnevik, Beyene)

If you missed this seminar, you need to submit 1200 words on the questions below to Malin via e-mail.

- What point/s do the authors try to illustrate?
- Do any of the cases in the book strike you as especially interesting, why?
- Choose a quotation from the book and use it to formulate a question
- Answer your question

Use literature and references!

Good luck!/Malin
