

## Extra task - November 8<sup>th</sup>

If you miss more than one seminar, you need to submit the extra task for that specific missed seminar (or half). This also goes for the afternoon of October 4th and the ART-project assignment. Ask Malin if you need clarifications. ..

The different extra tasks will be posted continuously during the semester on the webpage...

If you missed the morning of November 8th submit minimum 500 words on the morning questions below - if you missed the afternoon, submit 500 words on the afternoon questions. Use a word document and send to my e-mail [malin.ostman@csduppsala.uu.se](mailto:malin.ostman@csduppsala.uu.se). There is no deadline for the extra tasks (except you need to do them before the semester ends). Be sure to name the document with your name.

### Morning question

- In the text you read for today, what strike you as most interesting and why?
- Do you recognize any of the situations in the text?

### Afternoon questions

- Is gender equality and participation necessary for Sustainability? Why/why not?
- When working with sustainable development, in any area, what are the most important factors to consider when it comes to gender issues according to you?  
Make a list.
- When facing situations similar to the ones described in Seemas cases, what possible solutions or ways forward can you think of?

Good luck/Malin
