

Extra task for missed seminar October 18th

If you miss more than one seminar, you need to submit the extra task for that specific missed seminar (or half). This also goes for the afternoon of October 4th and the ART-project assignment. Ask Malin if you need clarifications. ..

The different extra tasks will be posted continuously during the semester on the webpage...

If you missed half the day of October 18th , submit minimum 500 words on the questions below – if you missed the whole day, submit 1000 words. Use a word document and send to my e-mail malin.ostman@csduppsala.uu.se. There is no deadline for the extra tasks (except you need to do them before the semester ends). Be sure to name the document with your name.

- **Chose 1 quotation from each of the three texts that you were to read for the seminar.**
- **Motivate and explain your choices.**

Mini – Role Play (For those of you who were there the afternoon, you can choose to reflect your groups discussions or reflect your own voice)

Imagine you are part of an international organization that aims at developing “underdeveloped” areas in the world.

- **How do you define development in your organization and why?**
- **What do you believe are THE MOST IMPORTANT factors to consider when working with development? Why?**
- **What actors do you contact and take in to account when “developing”? Do you exclude anyone? Why?**
