

Extra task for missed seminar May 16th

The seminar on May 16th was led by a group of MSD students. They conducted a “cauldron game” they had themselves played at COOP.

If you missed this seminar, you need to write 500 words on the questions below and send to: malin.ostman@csduppsala.uu.se

Look at: <http://www.climatecentre.org/site/cauldron>

What are the main points of the game?

Why are these kind of exercises useful when discussion Sustainability?

Do you agree?

Good luck and have fun!/Malin
