

Extra task for missed seminar October 11th or November 15th

If you miss more than one seminar, you need to submit the extra task for that specific missed seminar (or half). This also goes for the afternoon of October 4th and the ART-project assignment. Ask Malin if you need clarifications. ..

The different extra tasks will be posted continuously during the semester on the webpage...

For those who missed the listening part (but did presentations)

Extra task for missed seminar on October 11th

If you did not present, but still missed the seminar on October 11th or November 15th submit minimum 500 words on the questions below. Use a word document and send to my e-mail malin.ostman@csduppsala.uu.se. There is no deadline for the extra tasks (except you need to do them before the semester ends). Be sure to name the document with your name.

- Since you missed some of your classmate's presentations, this extra task is meant to expose you to their thoughts. Therefore you need to contact me to get a description of a presentation to be. When you have received such a document answer the questions below.
- What is your initial reaction? What strikes you as most interesting?
- How does the lecture relate to your own planned lecture?

For those who missed to present there will be an extra event/seminar with this opportunity. Contact Malin for planning!
