

## Extra task for missed seminar September 26<sup>th</sup>

Since you missed the seminar on September 26<sup>th</sup> you need to complete this extra task. Send it directly to Malin via e-mail. If you missed the whole day write about 1000 words on all questions below. If you missed half of the day write around 500 on either the morning or the afternoon questions.

### **Morning questions:**

Look at Magnus Tuvendals ppt. online. What are your initial reactions?

What do you consider to be the major events that have formed the environmental movement during the last century?

### **Afternoon questions:**

Read the assigned parts of the Report No Net Loss Initiative. What are your reactions? Does the report come to fair conclusions? Is this initiative good? Exemplify and use sources.
