

## **My view of Sustainable Development**

Write minimum 1000 words maximum 1200 in a word-document. Send via e-mail [malin.ostman.uu@analys.urkund.se](mailto:malin.ostman.uu@analys.urkund.se) no later than **October 3<sup>rd</sup>**.

**Also bring three copies** of your text to the afternoon of the seminar on October 4<sup>th</sup>.

**Read the first six chapters of the Sachs book. Answer the questions below. Please read through both questions before starting to write.**

- **Describe your own view of what sustainability means and relate it to Sachs thoughts (make at least three clear references to Sachs). Do you think your view is different than your classmates, in that case - how?**
- **What is your vision for a sustainable society? Connect to your own experiences and also Sachs book (make at least one clear reference to Sachs).**

**You can use other sources if you like as a compliment to the book– as long as you reference clearly.**

**We will use your texts at the seminar as a basis for the afternoon discussions on the 4<sup>th</sup>, so be sure to bring three copies of your text with you.**

**Good Luck! / Malin**
