-

Part 1.

Make a video of yourself performing the project presentation. The presentation should be 5-10 minutes long and include a visual aid. The visual aid could be in the form of a power point presentation, or a diagram, poster, photos, etc. Post the video to youtube or a similar website and send the URL link to uag@csduppsala.uu.se.

Part 2.

During the course we visited several different examples of local food initiatives and projects. In 500 words or more, write suggestions for how one or several of these initiatives/projects could be improved.

As a refresher, the projects/initiatives we visited were:

- [Flogsta Food
- [Valegården
- [Ulleråker (the existing monastery garden)
- [4H Gränby
- [Källtorps Trädgård (Permaculture inspired garden + café), Stockholm
- [Kräppladammen - The guerilla forest garden and permaculture backyard in a suburban neighborhood in Stockholm
- [Kjell & Ylwa Sjelín's farm in Vattholma

Send the finished paper to uag@csduppsala.uu.se.

Please don't hesitate to ask Olivia or Chris if you have any questions. Good Luck!
