

If you miss a seminar (or half a seminar), you need to submit the extra task for that specific missed seminar. The different extra tasks will be posted continuously during the semester on the webpage...

Extra task for missed seminar on the 14th of September

If you missed both morning and afternoon submit minimum 1500 words on the questions below, if you missed half the seminar submit minimum 1000 words on either the morning or afternoon question. Use a word document and send to my e-mail malin.ostman@csduppsala.uu.se. There is no deadline for the extra tasks (except you need to do them before the semester ends). Be sure to name the document with your name.

Since this was the first seminar this fall, I urge you to look and read through all the posted documents on the webpage, such as information folder and schedule. Don't hesitate to ask/e-mail me if you have any questions.

If you missed the morning...

- **Look through Magnus Tuvendals ppt. (posted online). In your own opinion, what were the three most important events concerning the environmental movement between 1900-2000?**

If you missed the afternoon...

- **Describe your background briefly and motivate why you think Sustainable Development is important.**
- **Imagine you were writing a definition of Sustainable Development with a group of your peers, what would be most difficult and why?**

You should answer each question fully; however you can yourself decide which ones you write more/less on.

Best of luck and kind regards/ Malin
