

My view of Sustainable Development

Write minimum 800 words maximum 1100 in a word-document. Send via e-mail malin.ostman.uu@analys.urkund.se no later than **September 27th**.

Also bring three copies of your text to the afternoon of the seminar on September 28th.

Read the first six chapters of the Sachs book. Answer the questions below. Please read through both questions before starting to write.

- **Describe your own view of what sustainability means and relate it to Sachs thoughts (make at least three clear references to Sachs).**
- **How does sustainable development work where you are from? Describe your experiences from your home country and relate them to the Sachs book (make at least one clear reference to Sachs).**

We will use your texts at the seminar as a basis for the afternoon discussions on the 28th, so be sure to bring three copies of your text with you.

Good Luck! / Malin
