Actors and Strategies for Change – Towards Global Sustainabilities | Spring 2015

For each theme there are various suggestions for actors that you can visit. In your group, collectively decide upon which actor you would like to visit. Choose a group, sign up on the Studenportalen, and have a look at the possible destinations before meeting in your groups after the lecture on Monday, February 16th.

Evenings and weekends only

If you are studying or working full-time during the week it may be difficult to find an actor to visit. In this group you can collectively find an actor to visit on an evening or weekend.

Some suggestions, but we encourage you to find your own:

- Flogsta Food community garden and coop
- Tant Gröns Skafferi in Hågaby
- Biotopia
