

CEMUS ALUMNI GET-TOGETHER

AND LAUNCH OF NEW STUDENT MAGAZINE **ceMuse**

Following in the wake of this fall's successful 20th Jubilee-celebrations, the CEMUS Alumni Network aims to connect students, staff, and others currently and previously involved with the Centre for Environment and Development Studies. It is rooted in CEMUS' academic profile of sustainable development and its spirit of uniting people interested in social change and making positive contributions to the world. The network has both social and professional purposes and serves as a link between the past, present and future, and as well as between academia and working life. The group is a meeting point and forum for alumni to connect with each other, discuss and share ideas, and receive information about alumni-related events and activities at CEMUS.

THURSDAY, APRIL 18 AT KATALIN, 18-20
