

Apply now for Uppsala Model United Nations!

Recalling the great heritage of Dag Hammarskjöld, the second Secretary-General of the United Nations and one of the world's most efficient and dedicated international civil servants, educated in Uppsala, we would like to warmly welcome you to our conference.

We aim to contribute to the skills of future leaders, whistle-blowers and game-changers, and invite you to participate in the annual UMUN conference 2015, **February 26 up to and including March 1.**

This year's theme is **Crossing Borders**, referring to today's most poignant, controversial and challenging issues. The Economic and Financial Affairs Committee (ECOFIN, General Assembly) will focus on Regulating Transboundary Rivers and Combatting Climate change. The Human Rights Council will work with Rights of Immigrant Workers and Refugees Crossing the Mediterranean. The Crisis Committee will address the issue of an emerging cross-border health and security crisis caused by the virus Ebol X.

As a delegate it will be your mission to create resolutions that serve both a better world and the interest of the country you will be representing.

We hope you are as enthusiastic as we are, and we warmly welcome you to an inspiring, enlightening and unforgettable Model United Nations in Uppsala!

Deadline for application is **February 8!**
